

MBI SEATTLE

Installer

Job Type Full Time

Location Seattle, WA

Objective

The Installer is responsible for the safe handling, delivery and installation of furniture and products to MBI Seattle's customers.

Description

Reports directly to the Operations Manager and indirectly to the Director of Operations. Work cooperatively with all FSI / MBI Seattle owners, managers, employees and customers. He/she is required to work in the most efficient manner possible, maintain a professional demeanor at all times and protect MBI Seattle's equipment, assets, image and profitability.

Responsibilities

- Deliver and install small to mid-size projects independently and efficiently
- Exhibit proficiency in the delivery and installation of MillerKnoll systems and other major manufacturers
- Proper handling, delivery, and installation of wood case goods
- Safely and efficiently manage all products and furnishings
- Interpret and comprehend floor plans and installation drawings accurately
- Stage products as directed and install wall mounts securely in various conditions
- Maintain a complete set of necessary installation tools
- Wear a clean and complete MBI uniform during work hours
- Drive and operate MBI vehicles legally and professionally
- Accurately complete time sheets, punch lists, and other required paperwork
- Possess essential tools like cordless drills and hand tools for assembling furniture
- Demonstrate strong problem-solving skills and knowledge of product terminology

Qualifications and Skills

- Experience delivering and installing office furnishings systems
- Able to lift, push, grasp and carry 5-30 lbs. frequently and 50+ lbs occasionally
- Flexibility to work various shifts, including overtime, evenings, weekends, and holidays as necessary
- Professional, cooperative and polite interaction with coworkers and customers
- Self-motivated work practices
- Excellent attendance to include timely arrival and minimal sick time
- Good oral and written communication skills
- Valid Washington State driver's license and personal insurance along with good transportation
- High school diploma and or GED equivalent
